

SUBMISSION RULES AND REGULATIONS

VIFFF - VEVEY INTERNATIONAL FUNNY FILM FESTIVAL 2023

1. PLACE AND DATES

Vevey, Switzerland, from the 26th of October to the 29th of October 2023

2. GOALS AND ARTISTIC IDENTITY OF THE FESTIVAL

Our desire is to give value to humor in films, in all of its forms: satire, farce, burlesque, black humor, documentary, mockumentary, comedy drama, musical, series, essays, short films, etc. All films that deal with comedy in any way, without necessarily being labeled as such, can have their place in the program.

Through this both mainstream and film-loving festival, we are searching to break the artificial boundary separating passionate cinema-enthusiasts and the rest of the spectators, thus offering a unifying event revolving around humor.

We only accept films that were not released – traditionally speaking – in Switzerland. We do not demand national, worldwide or international exclusivity. However, premieres will be privileged, especially for the International Competition. If needed, please explain in which context your film has already been broadcasted.
